# JUNIOR WARRIORS BASKETBALL LEAGUE

# JUNIOR WARRIORS HISTORY

“

Now entering its 23rd season, the Junior Warriors Basketball League continues to expand throughout the Bay Area. Since its inception, over 230,000 “Junior Warriors” have participated in one of our leagues.

Through this program, we aim to encourage participation in youth basketball and assist the development of local youth by stressing the importance of commitment, discipline, teamwork, sportsmanship and hard work.

We look to enhance existing programs by offering unique components that make leagues more attractive to the communities they serve. As we head into next season, the Warriors look forward to the possibility of partnering with your agency and providing you with all the benefits that are a part of the Junior Warriors Basketball League.

## Junior Warriors Classic

The Junior Warriors Classic is a showcase of what the Junior Warriors Basketball League is all about. # USA BASKETBALL YOUTH DEVELOPMENT

The Junior Warriors Basketball League is proud to be affiliated with USA Basketball (the National Governing Body for basketball in the United States). USA Basketball has launched a youth development initiative focusing on player development and safety, as well as coach education and licensing. Accreditation from USA Basketball is much more than a seal of approval; it's a comprehensive set of initiatives, tools and resources – all of which focus on enhancing enjoyment, safety and development for young people through basketball.

Part of the accreditation process is having each coach go through a simple three-step process to receive a coach license through USA Basketball. After completing the process, each coach will have access to the following:

**COACHING EDUCATION** - Leverage a robust guidebook of curriculum at all playing levels.

**ONLINE RESOURCES** - Access player skill videos, coaching tools, parent resources and so much more.

**COACH LICENSE CARD** - Receive the official photo identification card of USA Basketball licensed coaches.

**ONLINE COMMUNITY** - Communicate, share and manage info with anyone inside of the USA Basketball Online Community.

**COACHING INSURANCE** - Receive coaching general liability insurance as a benefit throughout the licensing year.
